Letter of Offer - Manchester City Football School

PLAYER EXPECTATIONS & PROGRAM OVERVIEW

Congratulations on your selection into the Manchester City Football School at Waverley College!

Program Overview

Manchester City Football Club and Waverley College are proud partners in offering one of only two Manchester City Football Schools in NSW.

Through the combined knowledge of one of the most successful football clubs in the world and one of the leading school football and sporting programs in NSW, the Manchester City Football School at Waverley College aims to develop the next generation of footballers.

The Football School will provide students with both in-curriculum and out-of-school training sessions where boys learn how to play *beautiful football* via dedicated sessions with the Manchester City Coach.

Integrating into the Curriculum at Waverley College

Students in the program will complete the following sessions as part of the Football School:

- A range of class sessions per fortnight per Term during practical PE lessons.
- A range of out-of-class sessions before or after school each term.

It is an expectation of all players that they train and play as part of the CAS Football Season in Terms 2-3. Training with a College CAS Team will replace the Football School out-of-class session in that term.

All Manchester City Football School training sessions will be conducted by our Manchester City Head Coach and a team of trained coaches with a bi-annual skills report to be provided based on the Manchester City Football School Curriculum.

Summary of Fees & Kit

The Manchester City Football School program participation will cost \$1,000 annually and will be billed with the first-term fees. Please note, if your son is withdrawn from the program after you have accepted and paid the fee, you will forfeit the \$1,000 annual fee. The College commits resources on the basis of confirmed enrolments and early departure of a Student may leave an unfilled space in the Football School. The annual fee is not transferable or refundable to a different player or year.

Included in the fees, players in the program will receive a Manchester City Football School training kit and accessories. Each year of participation, students will receive an updated kit.

For new students, the fitting of these items will need to occur at the time of buying school uniforms whereas existing students will complete this during school on a designated day and time.

Cancellation Policy

We understand that players may need to cancel their participation in the Manchester City Football School Program. To terminate or discontinue the inclusion in the Football School, parents must give at least a full term's written notice. This means that the College must receive notice in writing from the Parents no later than:

- the first day of term, where the Student will discontinue in the Football School, on the last day of that term;
- the first day of the previous term, where it is intended that the Student will discontinue the Football School prior to the commencement of, or during a term; or
- if it is proposed that the Student won't commence the Football School at the College having been accepted, and after the Parents have signed this Agreement, the first day of the term preceding the term in which the Student was to commence the Football School at the College.

Absentee Policy

It is an expectation that all students participate in both the in-class and outside of class training. Exceptions to this are:

Injury: Players are still required to attend both in class and outside of class training and watch as there will be chances to learn, experience and develop

Sickness: Players are to adhere to the standard College procedures and are not required to attend for the sole purpose of the program

Study Policy

In order to be a part of the Manchester City Football School, students must uphold an appropriate academic and behavioural standard. The Manchester City Football School program is a privilege for a student, however, academics remain the priority. This will be adjudicated on a case-to-case basis as student academics differ from student to student. A steep decline over academic results or lack of attendance could result in removal from the Manchester City Football School.

Player Agreement (Please read this through with the participant)

It is important to note that being a member of the Manchester City Football School program is a privilege and that inclusion in the program is based on the following parameters:

- Players must maintain good behaviour throughout curriculum lessons and training sessions
- Players are expected to attend all lessons and training sessions
- Players are expected to be on time to all lessons and training sessions
- Please ensure all necessary clothing, accessories and equipment are brought to lessons and training
- No bullying of any kind will be tolerated
- Players are to follow all safety rules provided by the College and Manchester City Football School coach
- Players uphold the Waverley College student Code of Conduct
- Players are to demonstrate good sportsmanship on and off the field
- Players are expected to uphold all standards
- Have fun with your team and always give your best
- Demonstrate teamwork and be supportive of teammates
- Do not interfere with others' ability to learn
